

Driving Directions to Camp Conawago

Thanks to Jim Novacek

From Route 616 N and Route 30 West.

Drive West on Route 30 for 13 miles to Junction of Route 30 W and Route 94 N (Carlisle Pike)

Turn right (North) onto Route 94. Drive 2.5 miles then turn left onto Dicks Dam Road.

After about 1.2 miles you will see sign for Camp Conawago (Boy Scout Road) to the left.

It's a dirt road and easy to miss. Continue on this road and it will go into the camp.

***** CAUTION it is an unimproved dirt road. And just prior to camp there is a steep section of road that is very hilly. Low clearance vehicle will hit and may get stuck or damaged. Also there is no place to park outside of the camp.

TO GET THE KEY:

From the junction of Route 30 W and Route 94 N, continue west on Route 30.

After 1.7 miles you will be in downtown New Oxford. Just after you start around the circle you will see Donahue Jewelry Store on the right in the circle.
