Thanks To Steve Goss

From Saint Paul's Church, turn left onto Main Street (Rt. 24 north) and go to the second light by Rutters. Turn right onto Prospect Street which becomes Freysville Road at the boro line. Stay on Freysville Road all the way to Market Street (old Lincoln Highway or Rt. 462). Be careful to take the left fork where Mount Pisgah Road splits off of Freysville Road. When you reach Market Street at Hallam turn right to go east on Rt. 462. As soon as you come out of Hallam look for Accomac Road on the left. Turn left onto Accomac Road. You will pass under Rt. 30 and go about a mile and a half, you will pass Codorus Furnace Road on the left then Hauser School Road on the right. The entrance to Wizard Ranch is on the left just past the intersection of these two roads.
